American History Ms. Bridich

D-Day Video: Questions

List the advantages and disadvantages that the Allies and Axis powers each had for the D-Day invasion. Also, keep track of the Generals on each side who were a part of D-Day.

	Allies	Axis
Generals		
Advantages		
Disadvantages		

As you watch the video, answer the following questions:

1. What role did deception play in the success of the invasion?

2. What clues did the British people have that "something big" was about to happen?

3. What percentage of Allied soldiers who participated in the invasion had seen combat before D-Day?

4. Why was D-Day delayed?

5. What went wrong with the paratroopers? What was their response to the error?

6. What problems did the Allies have while trying to get ashore?

7. Why was the outcome of D-Day so important?
