

World Religions Church Fathers

A small group of influential Christian thinkers had a significant impact on the development of the church and its doctrines in the early centuries following the Council of Nicaea. Among these were Augustine, Jerome, and Benedict. Today you and your group member[s] will design a poster revealing the importance of one of these church fathers.

- Title: Name and dates of the individual
- important writing[s] of the individual
- important ideas their writing conveyed [images and symbols only!]
