

**U.S. Government  
Governors of Colorado**

*For this assignment, each group member will read a biography of one of the most famous Colorado Governors. You will summarize the information below and then inform your group members about the governor. Finally, you and your group members will decide which governor governed best, according to your own criteria.*

1) Summarize the historic background of Colorado during this governor's time in office.

2) What attracted Colorado voters to this governor?

3) What is this governor best known for?

4) Give examples of how this governor exercise his executive, legislative, and/or judicial powers? (note: the governor you read about might NOT have examples of all three.)
