What would the topic of your third body paragraph be???

Examples of using Documents in DBQ Essays

In Document 1 President Hoover expresses his concerns that government hand-outs will cause people to come to rely on them for their well-being.

In 1931, President Herbert Hoover said that if the government helped individual people, “we are faced with the abyss of reliance in future upon Government charity.” (Doc. 1) He was concerned that government help would reduce Americans’ efforts to take care of themselves.
