

## **World Religions Muslim Scholars**

*Today you and your group members will examine the accomplishments of Muslim scholars from the 8<sup>th</sup> through the 11<sup>th</sup> centuries, the “golden age” of Islam. Discuss these accomplishments with your group and then in a well constructed paragraph answer the following question:*

***Which Muslim scholar was the most important in terms of science and/or technology today?***

*Be sure to include:*

- *name of the scholar*
- *accomplishments*
- *rationale for your choice, including specific examples from today*
