

U.S. History
Ronald Reagan's Economic Legacy

Use the reading and graphs from the handout, your notes from the Reagan lecture and video, and your notes from the textbook reading to:

- create a poster that shows the effects of Reaganomics on the United States
- include at least three ways that Reaganomics helped and/or hurt the economy in general and the people in particular
- you can focus on specific demographic groups or industries
- you may use pictures, numbers, and symbols, but NO LETTERS OR WORDS!
