Hebrew Scriptures: Torah and Mishnah

Use the excerpts from pp. 263 to 269 to answer the following questions:

1. How do the Ten Commandments as written in Deuteronomy differ from those on the handout given to you earlier this week. Do the meanings differ at all? Give an example.

2. How are Deuteronomy 6 and Book I of the Psalms similar in their message? How are they different? Use examples.

3. The Pesahim sets out rules about the Passover feast. Given the time and condition of the Jewish people when the Mishnah was written, explain how these detailed laws served to unite the people.
