

65 World War II in Europe and North Africa

U.S. History
Mapping Europe in WWII

Use the map on p. 832 of the World History text book to do the following:

1. Label and color code the Allied, Axis, and Neutral nations of Europe
2. Draw in and label (with year) German invasions of Rhineland, Austria, Sudetenland (Czechoslovakia), Poland, Belgium, Netherlands, Denmark, Norway, France, Yugoslavia, Latvia, Estonia, Lithuania, Russia
3. Draw in and label (with year) Italian invasions of Ethiopia, Albania

Answer the following questions:

1. Why did Roosevelt decide to push for the Lend-Lease Act? When was it passed? What earlier policy did this invalidate?
2. How did the Atlantic Charter make U.S. entry into the war all but inevitable?
3. Why did the attack on Pearl Harbor cause Roosevelt to declare war not only on Japan in December of 1941, but also Germany and Italy three days later?
